

## Minutes of the A, S & S NP Delivery Group Committee

12<sup>th</sup> May 2015

By email exchange

The change of use planning application for 14 Brockenhurst Road has gone to appeal. Jeff Bygrave, a member of this Committee, has declared a personal interest in this application as he used to be a next door neighbour and was very involved in fighting the original application. This was before he became a supporter of NPDG and before he then joined the Committee. While he has since moved elsewhere in the area, he feels he still has a personal interest in the appeal.

The Committee decided that it was therefore appropriate that Jeff should not be party to any discussions the NPDG may have regarding this appeal and any submission it may or may not make to PINS on it.
