

AS&S NPDG Meeting Monday 27 November 2017

Present: Diana Tombs (Chair)
Jeff Bygrave
Patrick Griffin
Catharine Paige
Jackie McCarten
Eric Nicoli

Apologies received from Margaret Morgan and Keith Cameron.

Kevin McGann has resigned from the NPDG Committee due to other commitments.

Diana and Patrick updated the committee on the RBWM BLP, some of the Borough's activities since and on RRAG's recent activities.

RRAG has started a new petition asking people to say NO to RBWM's plans to sacrifice the green lungs of Maidenhead and NO to the BLP. It was agreed that we should email our supporter base encouraging them to sign the petition - JB to do.

The NPDG Constitution was reviewed and some minor changes were considered and voted for unanimously. DT to upload onto our website.

Concern was expressed about the fact that RBWM Cabinet have just approved a Schools Plan which does NOT provide for a new primary school anywhere in our area. JM is looking into the numbers behind the report in more detail.

Date of next meeting Monday 14 May 2018.
