July 2016

Dear Sir/Madam

Heatherwood Hospital Engagement Event

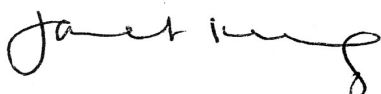

Following the two day engagement event held on 28th and 29th April which focussed on the proposed new hospital development at the Heatherwood Hospital, the Trust have had a chance to consider the comments and concerns raised. Numerous parties requested further details and information on the outline residential element of the scheme which was in early stages of plan development. Since April, the project team have been liaising with the Trust to develop these plans.

We would therefore like to invite you to a further engagement event at Ascot Racecourse on 4th August 2016 to give you an opportunity to view the latest plans, including details on the outline residential scheme, and to share your views. The project team will be available on the day to discuss the proposals in more detail and answer any questions you may have regarding both the hospital and residential proposals.

The event will take place on **Thursday 4th August 2016 between 3pm and 7pm at Ascot Racecourse, Ascot Authority Suite.**

We look forward to seeing you there.

Yours sincerely

Janet King
Director of HR & Corporate Services
