

AS&S NPDG Meeting 10 February 2020

Present: Eric Nicoli (Chair)
Margaret Morgan
Keith Cameron
Jeff Bygrave
Jackie McCarten
Diana Tombs

Apologies: Catharine Paige

It was recorded that a decision had been made by exchange of emails to donate £500 to RRAG to support its efforts in challenging the Borough Local Plan. Eric confirmed that our bank account remains solvent even after this payment.

Margaret and Diana updated the committee with the latest on the BLP Proposed Changes consultation. RBWM has confirmed that it is taking longer than expected to analyse the responses. From what we understand, it is unlikely that the examination will re-commence much before the summer, if then.

Margaret updated the committee with the latest discussions with RBWM over their proposed approach to Ascot placemaking, which we are deeply unhappy about. Parallel work on considering infrastructure requirements for Ascot (especially roads and general public realm) is welcome although we feel still has some serious gaps in its scope. We'll continue to press for improvements.

Date of next meeting was agreed as Monday 29 June 2020.
